

## **Co-author declaration for the following joint paper**

This declaration states the research contribution (e.g. research idea and – question; data compilation, manipulation and modelling; design and preparation of graphics, maps and tables; writing of text) of the candidate, the main supervisor (where he/she is an associate author) and the other authors.

If applicable, the contributions from other PhD and / or habilitation candidates who have or intend to include the paper in a thesis should be described. Contributions from master students should also be mentioned.
